

Miralax® Prep

Purchase at Pharmacy: (All over the counter)

- 1. 4 Dulcolax® laxative tablets
- 2. Small bottle Milk of Magnesia
- 3. Miralax® 238 gram bottle
- 4. 64 oz. Gatorade® or Crystal Lite® any flavor EXCEPT red, water or any of the "clear liquids" listed at bottom of sheet.

2 Days prior to the procedure:

At bedtime: Take 2 Tbsp. Milk of Magnesia.

1 Day prior to the procedure:

- 1. You will be on clear liquids from time you awaken (for breakfast, lunch and dinner) See list below for clear liquids.
- 2. At 2:00 pm: Take 4 Dulcolax® tablets.
- 3. At 4:00pm: Mix the 238 gram bottle of MiraLAX® into the 64 oz. of Gatorade® (Crystal light® or any of the clear liquids listed at the bottom of the page.)

 Keep this mixture chilled and drink an 8 ounce glass every 30 minutes until the solution is gone.
- 4. Continue on clear liquids until bedtime.

Day of procedure:

DO NOT eat or drink anything until AFTER your procedure.

** If you take medications, you will be advised as to whether you should take them or hold them until after the procedure.

NO DRIVING!!! You may <u>NOT</u> drive; use a taxi or bus after the procedure. You must be accompanied by an adult. If this procedure is not followed, the facility may cancel your appointment.

<u>Clear Liquid Diet</u>: Clear broth soup, bouillon or consommé. Coffee and tea are allowed but NO dairy, milk or cream, this includes powdered creamers. Soda is allowed. Juice: <u>NO RED juices</u>. Allowed: apple, white grape, white cranberry juices and strained lemonade. You may have Italian ice, popsicles and Jell-O[®] (NOT RED).
